Atry. Docket No. 44151-00005USPT

Dear Ms. Johnson:

Per our telephone conversation this morning, and your conversation with my assistant, Mary Vidaurri, attached is a revised copy of the Preliminary Amendment originally filed on March 6, 2002 for the above-identified patent application. The "clean" amended specification has been set apart from the document by page breaks as recommended. A copy of the "clean" claims is attached as Attachment "B". Please do not hesitate to contact us if you have any questions regarding this matter.

Respectfully submitted,
